

Removing an External Transfer

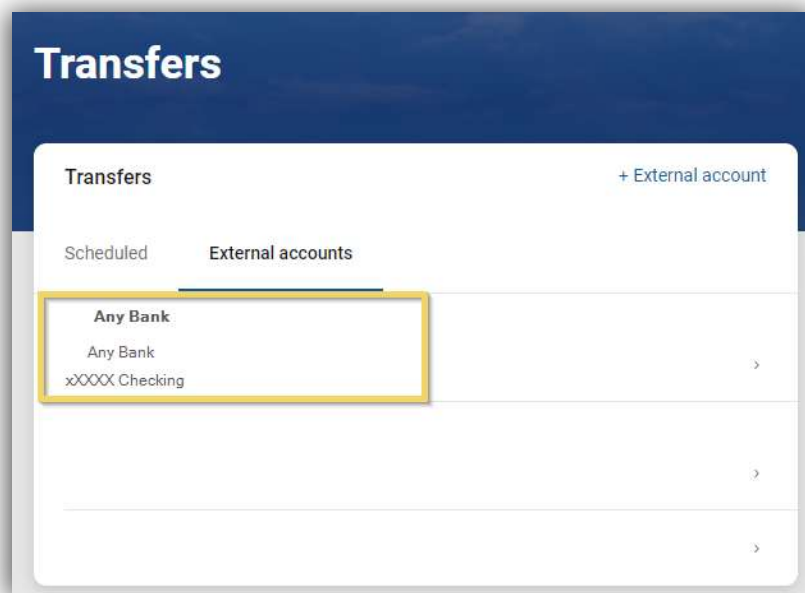

Login to Online Banking.

Select Transfers from the left-hand menu.

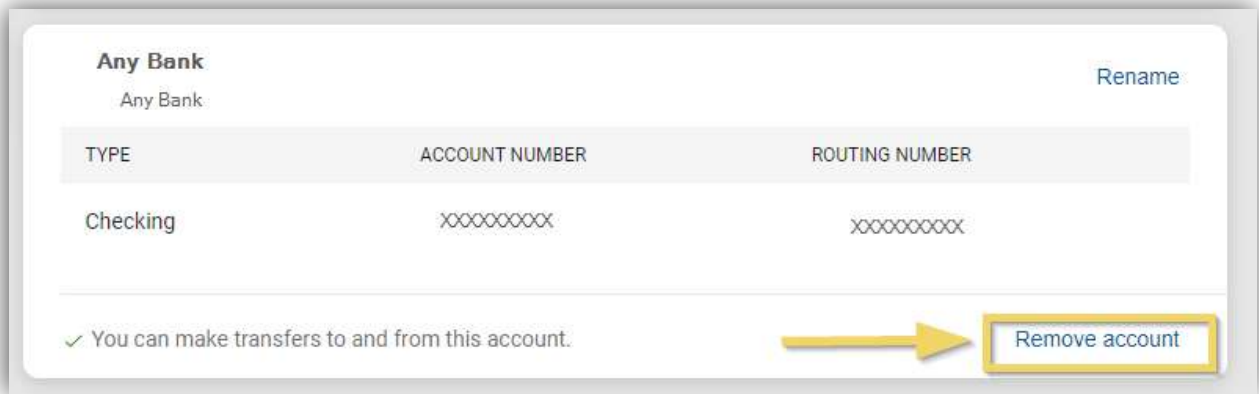

Click External Transfers.

Click on the account you want to remove.

Select the account and choose Remove account.

The screenshot shows a user interface for managing bank accounts. At the top left, it says "Any Bank" and "Any Bank". At the top right, there is a "Rename" link. Below this is a table with three columns: "TYPE", "ACCOUNT NUMBER", and "ROUTING NUMBER". The first row of the table has the values "Checking", "XXXXXXXXXX", and "XXXXXXXXXX". Below the table, there is a checkmark and the text "You can make transfers to and from this account." To the right of this text, there is a yellow arrow pointing to a button labeled "Remove account".

TYPE	ACCOUNT NUMBER	ROUTING NUMBER
Checking	XXXXXXXXXX	XXXXXXXXXX

✓ You can make transfers to and from this account.

Remove account

Once removed you will no longer be able to make transfers to and from the connected account. To reconnect the account, please see **Setting Up an External Transfer**.
